

## SUBJECT INDEX

- Abortion. Lethality and incidence of complications in therapeutic — in Denmark 1953—1957 ..... 110  
 —. Techniques and complications in therapeutic — ..... 105  
 —. Therapeutic — on account of x-ray examination during pregnancy ..... 113  
 Agglutination reaction. A new — in the diagnosis of rheumatic diseases ..... 286  
 Alcoholics. The influence of the diet on the serum glutamic oxaloacetic transaminase in acute intoxication of chronic — ..... 33  
 Amenorrhoea. The vaginal smear in — and its reaction to therapy ..... 126  
 Anaesthesia with leostesin (lidocaine) and pethidine in bronchoscopy ..... 228  
 Anuria. The peripheral blood leukocytes in acute — ..... 90  
 Aortography. Abdominal — in diseases of the arterial system ..... 131  
 Apoplexy. The arteriographic and electroencephalographic findings in cerebral — ..... 12  
 Arterial. Abdominal aortography in diseases of the — system ..... 131  
 —. The hydrogen ion concentration in — blood ..... 296  
 Arteriographic. The — and electroencephalographic findings in cerebral apoplexy ..... 12  
 Asian influenza. Neuroinfections in — ..... 248  
 Basophilic substance. The — of the gastric chief cells and its relation to the secretory process Bornholm. The incidence of syphilitic infection in individuals aged 65 and 70 years in — ..... 230  
 Bronchoscopy. Anaesthesia with leostesin (lidocaine) and pethidine in — ..... 228  
 Cardiac output. Determination of — and pulmonary blood volume by means of indicator dilution technique ..... 43  
 Carcinoma. Development of — in the gastric stump following resection for ulcer ..... 277  
 Carcinomas of the digestive system in Denmark 1943—1956 ..... 137  
 Cerebral artery. Occlusion of the middle — ..... 9  
 —. The arteriographic and electroencephalographic findings in — apoplexy ..... 12  
 Chemotherapy in renal tuberculosis ..... 97  
 Childhood. Vesical diverticula in — ..... 190  
 Children. Duplications in the gastro-intestinal tract in — ..... 281  
 Chlorpromazine. Glutamic pyruvic transaminase in the serum during treatment with — ..... 38  
 Colds. Common — in Denmark ..... 214  
 Complications. Lethality and incidence of — in therapeutic abortion in Denmark 1953—1957... 110  
 Cystometry ..... 194  
 Delirium tremens and its treatment ..... 261  
 Denmark. Carcinomas of the digestive system in — 1943—1956 ..... 137  
 —. Common colds in — ..... 214  
 —. Lethality and incidence of complications in therapeutic abortion in — 1953—1957 ..... 110  
 —. Medico-statistical information from — for the years 1956 and 1957 ..... 26  
 —. Medico-statistical information from — for the years 1957 and 1958 ..... 290  
 —. The hospital survey of — ..... 288  
 Denmark. The use of spectacles in — and England ..... 220  
 —. Tobacco consumption in —. III. .... 54  
 Diet. The influence of the — on the serum glutamic oxaloacetic transaminase in acute intoxication of chronic alcoholics ..... 33  
 Digestive system. Carcinomas of the — in Denmark 1943—1956 ..... 137  
 Diphtheria vaccination ..... 94  
 Diverticula. Vesical — in childhood ..... 190  
 Duodenal ulcer. Observations on — patients admitted to a psychiatric department ..... 50  
 Duplications in the gastro-intestinal tract in children ..... 281  
 Electroencephalographic. The arteriographic and — findings in cerebral apoplexy ..... 12  
 Encephalitis. Subacute — (Dawson) ..... 241  
 England. The use of spectacles in Denmark and — ..... 220  
 Enteroviruses. Routine diagnosis of — using tissue culture techniques ..... 264  
 Epithelial tumours of the urinary tract ..... 59  
 Foreign bodies. A stereoscopic method for the removal of radio-opaque — ..... 273  
 Gastric achlorhydria. Uropepsin excretion and vitamin B<sub>12</sub> absorption in pernicious anaemia and — ..... 81  
 — chief cells. The basophilic substance of the — and its relation to the secretory process ..... 25  
 — stump. Development of carcinoma in the — following resection for ulcer ..... 277  
 Gastro-intestinal tract. Duplications in the — in children ..... 281  
 Glutamic pyruvic transaminase in the serum during treatment with chlorpromazine ..... 38  
 Heart catheter. A new type of — ..... 63  
 Hodgkin's disease. Prognosis in — ..... 177  
 Hospital survey. The — of Denmark ..... 288  
 Hydrocortisone. Some problems in connection with intrathecal — treatment ..... 259  
 Hydrogen. The — ion concentration in arterial blood ..... 296  
 Ileostomy dysfunction and its prevention ..... 186  
 Insulin. Protamine zinc — in crystalline suspension ..... 270  
 Intoxication. The influence of the diet on the serum glutamic oxaloacetic transaminase in acute — of chronic alcoholics ..... 33  
 Intrathecal. Some problems in connection with — hydrocortisone treatment ..... 259  
 Iodine. The diagnostic use of radioactive — in thyroid disorders ..... 2  
 Ion. The hydrogen — concentration in arterial blood ..... 296  
 Leostesin. Anaesthesia with — (lidocaine) and pethidine in bronchoscopy ..... 228  
 Lethality and incidence of complications in therapeutic abortion in Denmark 1953—1957 ..... 110  
 Leukocytes. The peripheral blood — in acute anuria ..... 90  
 —. The peripheral blood — in chronic renal insufficiency ..... 85  
 Leucæmia. Remission in chronic myeloid — following prolonged nitrous oxide inhalation .. 252

Medico-statistical information from Denmark for the years 1956 and 1957 .....	26	Serum glutamic oxaloacetic transaminase. The influence of the diet on the — in acute intoxication of chronic alcoholics .....	33
Medico-statistical information from Denmark for the years 1957 and 1958 .....	290	Spectacles. The use of — in Denmark and England .....	220
Menadione. Toxic effect of — sodium bisulfite in premature infants .....	19	Stereoscopic Method. A — for the removal of radio-opaque foreign bodies .....	273
Myeloid leucæmia. Remission in chronic — following prolonged nitrous oxide inhalation ..	252	Stomach. Sarcoma of the — .....	23
Neurogenic bladder. The effect of a polysynaptic inhibitor in the treatment of uninhibited — ..	256	Suicide. Comparative — statistics .....	65
Neuroinfections in Asian influenza .....	248	Syphilitic infection. The incidence of — in individuals aged 65 and 70 years in Bornholm ..	230
Nitrous oxide. Remission in chronic myeloid leucæmia following prolonged — inhalation ....	252	Tarso-metatarsal exarticulation. The technique of — as described by Jacobsen in 1805 in Copenhagen .....	240
Occlusion of the middle cerebral artery .....	9	Techniques and complications in therapeutic abortion .....	105
Oestrogen level. The — in women as determined by cyto hormonal investigations of vaginal smears .....	122	Tetanus .....	223
Pernicious anaemia. Uropepsin excretion and vitamin B <sub>12</sub> absorption in — and gastric achlorhydria .....	81	Thyroid. The diagnostic use of radioactive iodine in — disorders .....	1
Pethidine. Anaesthesia with leostesin (lidocaine) and — in bronchoscopy .....	228	Tissue culture. Routine diagnosis of enteroviruses using — techniques .....	264
Plant roots. Effect of human serum on growth of — .....	198	Tobacco consumption in Denmark. III. ....	54
Poisoning. The treatment of — during the past twenty-five years .....	209	Toxic effect of menadione sodium bisulfite in premature infants .....	19
Polysynaptic inhibitor. The effect of a — in the treatment of uninhibited neurogenic bladder..	256	Transaminase. Glutamic pyruvic — in the serum during treatment with chlorpromazine ..	38
Pregnancy. Therapeutic abortion on account of x-ray examination during — .....	113	— . The influence of the diet on the serum glutamic oxaloacetic — in acute intoxication of chronic alcoholics .....	33
Premature infants. Toxic effect of menadione sodium bisulfite in — .....	19	Treatment. Delirium tremens and its — .....	261
Prognosis in Hodgkin's disease .....	177	— . The — of poisoning during the past twenty-five years .....	209
Protamine zinc insulin in crystalline suspension	270	Tuberculosis. Chemotherapy of renal — .....	97
Psychiatric department. Observations on duodenal ulcer patients admitted to a — .....	50	Tumours. Epithelial — of the urinary tract ....	59
Pulmonary blood volume. Determination of cardiac output and — by means of indication dilution technique .....	43	Ulcer. Development of carcinoma in the gastric stump following resection for — .....	277
Radioactive. The diagnostic use of — iodine in thyroid disorders .....	1	Ulcerative colitis. Indications for operation in —	182
Renal. Chemotherapy in — tuberculosis .....	97	Uropepsin excretion and vitamin B <sub>12</sub> absorption in pernicious anaemia and gastric achlorhydria ..	81
— insufficiency. The peripheral blood leukocytes in chronic — .....	85	Vaccination. Diphtheria — .....	94
Resection. Development of carcinoma in the gastric stump following — for ulcer .....	277	Vaginal smear. The — in amenorrhoea and its reaction to therapy .....	126
Rheumatic diseases. A new agglutination reaction in the diagnosis of — .....	286	— . The oestrogen level in women as determined by cyto hormonal investigations of — .....	122
Sarcoma of the stomach .....	23	Vesical diverticula in childhood .....	190
Serum. Effect of human — on growth of plant roots .....	198	Vitamin B <sub>12</sub> . Uropepsin excretion and — absorption in pernicious anaemia and gastric achlorhydria .....	81
		X-ray examination. Therapeutic abortion on account of — during pregnancy .....	113
